TESTER 1 **Ann Row, 60,**
retired nurse, Bowerham, Lancaster

Ann says: 'I really miss my mother, who died in 2007. I'm hoping Neshla's reading will help me move on.'

Ann

Neshla says

You have lots of self doubt, but underneath it all you're a strong person. However, you put others before yourself, and the Ten of Wands shows that people offload their problems on to you. Don't be afraid to say: 'Can we change the subject, please?'

The Five of Cups reveals guilt concerning your mother, which has made you retreat into your shell. Stop blaming yourself – she says she was ready to go. I sense you will join a group, which will help you to get out more.

Someone around you isn't feeling themselves at the moment. They need to start looking at things from a different perspective.

Finally, the Ten of Cups shows your daughter will move closer to you, but not for some time.

Ann says

I think Neshla described me well, and it was spooky what she picked up about people telling me their problems!

My mum, Dorothy, died after an operation. Prior to surgery,

she was sure she wouldn't make it, but I persuaded her to go ahead as the doctors said the op was low risk. The guilt affected me deeply, and I am more withdrawn than I used to be. However, I recently met a lady who's invited me to join her theatre group, which will help me get out more.

My sister, Elaine, 55, is fed up after being made redundant – but I'm not sure what the bit about looking at things from a different perspective means.

My daughter, Helen, 30, lives in Bristol. I asked Neshla if Helen would ever move back to Lancaster – I'm relieved she said yes!

Rating: The reading was excellent. To an outsider it might seem vague, but it was accurate, so it's 10 out of 10.

TESTER 2 **Julia Jackson, 48,**
cafe owner, Plymouth, Devon

Julia says: 'I'm launching a new business and would like to know if it will be a success.'

Julia

Neshla says

You're a hard worker, faced with a heavier workload than usual. You haven't been sleeping well either. You're stepping out of your comfort zone, but the universe is on your side. The timing is perfect and the Ace of Wands shows things will be a success.

I see your work connected with a new dream home. Don't worry – things will calm down in a few months.

The High Priestess says to trust your intuition. You've been seeing signs and have an angelic influence.

Your daughter is analytical and career-minded but very kind-hearted. The Queen of Cups suggests she'll be successful.

Finally, you may be waiting for an inheritance, shown by the Ten of Pentacles.

Julia says

I'm about to leave my job as an NHS rehab technician to launch a cafe. It's been exhausting setting things up around my full-time job, so it's true I haven't been

sleeping very well recently. I'm really happy to hear that it will be a success.

The cafe sits at the top of a cliff in Plymouth and there's a cottage next to it, which I'm hoping to rent with my husband, Michael, 63. Perhaps that's the dream home!

I talk to the angels all the time and often find feathers.

My daughter, Amy, 27, is going for a promotion at work. I know she's the most kind-hearted person.

A friend of the family passed away quite recently. I'm not expecting a bequest from him, but who knows?

Rating: 10 out of 10.

Neshla accurately picked up on lots of small details that she couldn't have guessed, so I'll award her full marks!
